Jane Austen and the Military

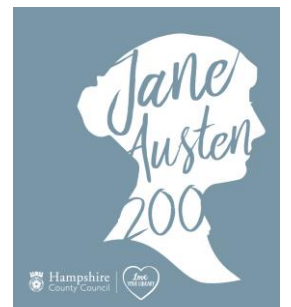

Jane Austen includes several characters in her novels who are (or have been) in the military. This is not surprising, as through most of her writing career Britain was locked in a titanic struggle against Napoleonic France, in which battles such as Trafalgar and Waterloo were fought. But what does she tell us about the military of her time, and how accurate are her accounts? Join author and historian Rupert Matthews as he looks at some of Austen's most famous characters and their military connections.

Farnborough Library

Tuesday 6 June 2017: 7.30pm

Tickets are £6 available from the library, through the booking line on 01252 516458 or online at www.hants.gov.uk/shop. **Advanced booking is essential.**
